

A Wedding is one of the most important days of your life, you have so many questions that you want to ask and sometimes you just forget, below is just an example of the many questions we get asked at Stifford Hall Hotel.

**Extension of finishing time and how much would it cost per hour?** *Normal finishing time is 12.00am but to extend until 01.00am this would be an additional £100.00; however, this does not include the DJ cost.*

**What beer is served in the Terrace bar?** *Carling is served on draft however we also have Peroni and Budweiser (in bottles) please note we also have a range of different wines, spirits, soft drinks plus Guinness (surger)*

**Where does the dancefloor go?** *This is dependent on the numbers attending the Wedding and also what size dancefloor you require; the standard dancefloor size is 3.45metres (square)*
